As future members of the healthcare profession, the students of Mercy College of Health Sciences bear a special responsibility to maintain high ethical standards for the profession. Accordingly, it is expected that each student will scrupulously regard the rights of others and will observe high ethical standards of both personal and professional conduct. The Mercy College of Health Sciences Academic Integrity Statement sets forth our expectations for our students.

All Mercy College students are bound by the Academic Integrity Statement and Student Handbook. I agree to be bound by the Academic Integrity Statement and Student Handbook as they are adopted. The Academic Integrity Statement and Student Handbook are, however, not the exclusive sources of professional standards and student disciplinary rules and procedures. Mercy College reserves the right to establish, modify and enforce academic and professional standards governing satisfactory performance of students and their conducts while enrolled at Mercy College.

I certify that the information contained herein and in any supplemental documents submitted to the College is true, correct and complete to the best of my knowledge. I shall promptly notify Mercy College school officials in the event that anything happens prior to my enrollment at Mercy College that would change the information contained in this application or its supporting documents. I understand that the obligation to report changes extends to the period of time during my enrollment as well. I understand that any false or misleading statement, omission of subsequent or material facts, or incomplete application may be the basis of denial of admission, revocation of an offer of admission, or dismissal from Mercy College of Health Sciences, if already enrolled.

Please be advised that admission to and graduation from Mercy College of Health Sciences does not guarantee employment in the healthcare profession. Mercy College of Health Sciences makes no representation regarding a student's eligibility to be licensed in any healthcare profession or ability to be employed in the healthcare profession.
