	Paramedic to BSN					1	2	2	0
	Public Health		3	1	1	3	0	4	1

1. This table shows the number of certificates and degrees conferred in each academic year by program. The table does not provide any data on how long it took the students to earn the certificate or degree. The darker shaded cells indicate a year in which the program did not exist because it had not yet been established or because it has been discontinued.
